

# WHAT'S ON

January 2018

Saturday 6<sup>th</sup>

## IN-HOUSE 80s DISCO

*Assuming the disco gear still works – it hasn't been out in a while! The 80s brought us loads of great artists. It also brought us Joe Dolce, Black Lace and The Birdie Song. Enjoy the best, and maybe some of the worst and don't forget your Spandex and big hair/mullet!*

Saturday 13<sup>th</sup>

## THE PERSUADERS

*Very experienced band – they played the Club for years as Envy before a change in the line-up. Always a good night.*

Saturday 20<sup>th</sup>

## NORTHERN SOUL DISCO

*With DJ Barry Gray*

Saturday 27<sup>th</sup>

## ICARUS

*Another well-established local band, well known to regular Saturday Nighters..*

**Lunchtime Sunday 28<sup>th</sup> – TBC.** We wish Paul Hammond well and if he isn't back on his feet for this one, we'll see him soon hopefully.
