Saturday 21st

SOCIAL NIGHT

Or to put it another way, amuse yourselves! On a serious note though, July does tend to be our quietest month so rather than spend money for the sake of it, let's have a night where we can just chat to each other!

Saturday 28th

THE OTHER GUYS

Classic rock band with plenty of material from the likes of Pink Floyd, the Who and Led Zeppelin and the odd surprise such as excerpts from Carmina Burana or War of the Worlds.

Coming up in August ...

The Usual Suspects (new band) 4th August, Skittles night on the 11th and The Blue Cadillacs (rock 'n' roll band) on the 18th.

Keep an eye out for details of the autumn's "President's Night" – a variety show to help celebrate our 90 years of history.
