

WHAT'S ON

March 2018

Saturday 3rd

TROUBLE IN MIND

Now last month, for the first time, I described a band as a "power-trio" at which point they turned up with a newly added fourth member! However, I suspect that Terry and the lads will remain as a three piece band, brilliantly covering many styles of music ...

Saturday 10th

FILMED RACE NIGHT

Same as ever, bet anything from 25p upwards on one or more horses. If your horse comes in, you get a share of all the stake money collected.

Saturday 17th

St. Patrick's Day

We have tried from London to Cornwall and up to Nottingham to find a free Irish act and simply can't, sorry. But, there will be some recorded Irish music being played and there will be a Guinness promotion.

Saturday 24th

THE MUDEFORD CRABS

Need no further introduction, their rocky style always attracts a dedicated local following.

Saturday 31st

90th ANNIVERSARY NIGHT

90 years to the day since the Club's opening ceremony.

There will be live music to suit the occasion and naturally, a drinks promotion. More details will follow once Dinner Dance is out of the way. Ladies, start digging out those Flapper costumes. Gents, be predictable and find yourselves a pin-stripe suit and a violin case!
