

WHAT'S ON

November 2018

Saturday 3rd

MR WISEGUY

This band always attracts one of the best crowds so, we have a midnight bar so you get to see more of them.

Saturday 10th

COROMA DISCO

It's the EDS Society's annual fundraising fancy dress ball, again with a midnight bar.

Saturday 17th

SKITTLES NIGHT with FISH 'n' CHIPS

Teams of 6 max and optional fish 'n' chip supper. Book at the bar – booking sheet available round about the start of the month.

Saturday 24th

CHILL - THE PARTY BAND

You may remember their very popular appearance a couple of Dinner Dances ago and went down just as well in the Club last year. Not to be missed.

Sunday 25th

PAUL HAMMOND - lunchtime

Coming up in December ...

Lots of Christmassy things including the Boxing Day auction – so if you or your company have anything that could be donated for charity, please put it aside and bring it in near the day.

Music wise, we have the return of "Soulution" (as seen in the Dinner Dance in April) on the 8th and a new band - that many of you requested after seeing them in the summer – Matchbox 45 on the 22nd
