

WHAT'S ON

October 2018

Saturday 6th

TROUBLE IN MIND

Rock, pop and blues from one of the best three-piece bands you're likely to come across.

Saturday 13th

SKITTLES NIGHT with FISH 'n' CHIPS

You know the procedure by now – book at the bar. Teams of 6 max and optional fish 'n' chip supper. Please note that due to an increase in food costs, the charge will now be £5.50 if eating.

Saturday 20th

GROUP 5

One of our longest serving bands but still popular with their varied mixture of music from across the decades.

Saturday 27th

THE STICKY JAM BAND

We really are spoiled for great guitarists this month and tonight is certainly no exception. Another high quality trio playing some pop and plenty of blues and rock.

Sunday 28th

PAUL HAMMOND - lunchtime

Assuming his return later this month doesn't put him off for good!

Coming up in November ...

Another great month for bands with two of our absolute favourites: "Mr Wiseguy" and the dubiously named (but very good) "Chill – the Party Band." And in the two weeks in between we have the annual EDS Charity Ball (disco) and another skittles night, due to popular demand as these are about the best attended events we put on.
