

## Howzat! Rules and regulations Version 4 – Dec 2018

- 1) Players must choose 3 numbers in the range 1 to 90. Each set of 3 numbers (a line) costs 50p per week. This fee is subject to change.
- 2) No player may have more than 10 lines.
- 3) The first three numbers drawn in the Mundeford Club's Bingo "Snowball game" on a Sunday evening will be the numbers for that week.
- 4) If a player has one or more of the numbers called, it/they will be "crossed off" the player's line. When a player has all three numbers "crossed off" any line they will win the rolling jackpot.
- 5) Should more than one player win on the same set of three numbers the money will be shared equally among them.
- 6) The order in which the balls are drawn is not counted. If one or more players complete their set of three the same week, all will be winners regardless of which of the three numbers they win on.
