

WHAT'S ON

February 2019

Saturday 2nd

SKITTLES NIGHT with FISH 'n' CHIPS

As ever, food if you want it (advanced order essential!), teams of up to 6 with prizes for best team and individuals. Book now at the bar.

Saturday 9th

STEREO QUEEN

The timing couldn't have worked out better with Bohemian Rhapsody in the cinemas. So, rather than pay a fortune to watch actors pretending to do it, come and see real people actually doing it and it's free (for members)!

Saturday 16th

MURDER MYSTERY NIGHT

Rumour has it that a terrible crime is in the offing. Can you catch the killer? See poster for more details – volunteers needed to play the suspects!

Saturday 23rd

THE BRASS MONKEYS

You may remember "The Usual Suspects" from the Autumn – they are The Brass Monkeys minus the brass section. This time it's the full band for some serious soul and rock classics.

Sunday 24th PAUL HAMMOND - lunchtime

Coming up in March ...

Dinner Dance is on the 1st – posters out now and tickets on sale from 25 Jan. Also look out for "The Mudeford Crabs" (9th March) with old favourites "Rapport" and a second visit for "Best Kept Secret" at the end of the month. And for those that didn't get their fill in February, there's another Skittles night too.
