

A DATE FOR YOUR DIARIES!

The **2021 Marrow competition** is on Sunday 5th September.

For new members, this is the annual ‘mine’s bigger than yours’ day! The competition is open to all club members and their partners.

Categories are - **heaviest marrow, pumpkin, 5 onions and 5 tomatoes.** We measure your **5 longest runner beans.**

For those who like preserving, bring in your best **chutney and jam.** For the bakers we have a cake section, this year’s theme is ‘**My self-isolation comfort cake**’. For budding florists, the arrangement will be, in keeping with the present times, ‘**Looking at a Rainbow**’.

We charge only £1 for each entry if paid beforehand, or £2 on the day.

It’s a fun lunchtime, judges are volunteers on the day for tasting the homemade produce.

Come on, give it a go! Watch the posters and website for further information nearer the day.

Previous winners, please return your trophies.
